

***State of Washington  
Department of Transportation  
Notice to Consultants  
Tribal Transportation Data Base Development***

The Washington State Department of Transportation (WSDOT) solicits interest from consultants who wish to be evaluated and considered for Tribal Transportation Data Base Development. The approximate dollar value of the consultant agreement will be \$70,000. WSDOT may award one (1) agreement. This agreement will be for approximately nine (9) months in duration.
